

18 May 2020

**Kore Potash Plc**

("Kore Potash" or the "Company")

**Correction to DX PFS**

**This is a correction to the announcement 'Dougou Extension (DX) Project Pre-Feasibility Study' ("DX PFS") made on 13 May 2020. It corrects Appendix A Figure 18: DX Project Cash Flow Forecast (real Q4 2019).**

Further to the publication of the DX PFS on 13 May 2020, the Company seeks to correct an error contained in a figure published via the Australian Stock Exchange.

Figure 18: DX Project Cash Flow Forecast (real Q4 2019), showed an incorrect revenue profile based on a fixed selling price, whereas the correct information is a price profile based on a forecast selling price over time. The corrected Figure 18 is available in the corrected Dougou Extension (DX) Project Pre-Feasibility document available on the Company website. The remainder of the information in the announcement is correctly portrayed.

**ENDS**
