An application will be made to the London Stock Exchange for the New Shares to be admitted to trading on AIM, and an application will be made to the JSE for the New Shares to be admitted to trading on the JSE. AIM is a market designed primarily for emerging or smaller companies to which a higher investment risk tends to be attached than to larger or more established companies. A prospective investor should be aware of the potential risks in investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser. Neither the London Stock Exchange nor the JSE have examined or approved the contents of this document.

This document does not constitute a prospectus for the purposes of the Prospectus Rules nor does it constitute an admission document prepared in accordance with the AIM Rules.

This document contains no "offer to the public" and does not constitute a "registered prospectus" as such expressions are defined in Chapter 4 of the South African Companies Act. This document does not constitute a pre-listing statement prepared in accordance with the JSE Listings Requirements.

This Circular does not constitute an offer, or the solicitation of an offer, to buy or to subscribe for any securities, nor shall there be any sale or subscription of, the New Shares, or any securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

SP Angel Corporate Finance LLP (“**SP Angel**”), which is authorised and regulated in the United Kingdom by the Financial Conduct Authority, is acting as nominated adviser and broker to the Company and for no one else in connection with the matters described in this Circular and accordingly will not be responsible to any person other than the Company for providing the protections afforded to customers of SP Angel, or for providing advice in relation to such matters and apart from the responsibilities and liabilities (if any) imposed on SP Angel by FSMA, any liability therefore is expressly disclaimed.

SP Angel’s responsibilities as the Company’s nominated adviser under the AIM Rules for Nominated Advisers are owed solely to the London Stock Exchange and are not owed to the Company, any Director or to any other person. No representation, express or implied, is made by SP Angel as to, and no liability whatsoever is accepted by SP Angel in respect of, any of the contents of this document (without limiting the statutory rights of any person to whom this document is issued).

Shore Capital Stockbrokers Limited (“**Shore Capital**”), which is authorised and regulated in the United Kingdom by the Financial Conduct Authority, is acting as broker to the Company and for no one else in connection with the matters described in this Circular and accordingly will not be responsible to any person other than the Company for providing the protections afforded to customers of Shore Capital, or for providing advice in relation to such matters and apart from the responsibilities and liabilities (if any) imposed on Shore Capital by FSMA, any liability therefore is expressly disclaimed.

This document should be read as a whole.

Notice to overseas persons

The distribution of this document and/or the Form of Proxy in certain jurisdictions may be restricted by law and therefore persons into whose possession these documents come should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

The New Shares have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, (the “**US Securities Act**”) and may not be offered, sold or delivered in, into or from the United States, or to, or for the account or benefit of U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and applicable US state securities laws. This document does not constitute an offer of Shares to any person with a registered address, or who is resident in, the United States, or who is otherwise a “U.S. person” as defined in Regulation S under the US Securities Act. There will be no public offer of New Shares in the United States. Outside of the United States, the New Shares are being offered in reliance on Regulation S promulgated under the US Securities Act. The New Shares have not been approved or disapproved by the US Securities and Exchange Commission, or any other securities commission or regulatory authority of the United States, nor have any of the foregoing authorities passed upon or endorsed the merits of the offering of the New Shares nor have they approved this document or confirmed the accuracy or adequacy of the information contained in this document. Any representation to the contrary is a criminal offence in the US.

Accordingly, subject to certain exemptions, the New Shares may not be offered, sold, taken up, delivered or transferred in, into or from the United States, Canada, Japan or any other jurisdiction where to do so would constitute a breach of local securities laws or regulations (each a “**Restricted Jurisdiction**”) or to or for the account or benefit of any national, resident or citizen of a Restricted Jurisdiction. This document does not constitute an offer to issue or sell, or the solicitation of an offer to subscribe for or purchase, any Shares to any person in a Restricted Jurisdiction and is not for distribution in, into or from a Restricted Jurisdiction.

Additionally, the New Shares in South Africa will only be offered to persons who fall within the exemptions set out in section 96(1)(a) and/or (b) of the South African Companies Act, and to whom the offer will specifically be addressed, and by whom only the offer will be capable of acceptance.

No placement document, prospectus, product disclosure statement or other disclosure document has been lodged with the Australian Securities and Investments Commission (“**ASIC**”) in relation to the New Shares. This document does not constitute a prospectus, product disclosure statement or other disclosure document under the Corporations Act 2001 (the “**Corporations Act**”) and does not purport to include the information required for a prospectus, product disclosure statement or other disclosure document under the Corporations Act. To the extent this document is distributed in Australia, it is distributed for information purposes only.

This document does not constitute an offer to sell or an invitation to subscribe for, or solicitation of an offer to subscribe for or buy, New Shares to any person in Australia. Any offer in Australia of the New Shares may only be made to persons (the “**Exempt Investors**”) who are “sophisticated investors” (within the meaning of section 708(8) of the Corporations Act), “professional investors” (within the meaning of section 708(11) of the Corporations Act) or otherwise pursuant to one or more exemptions contained in section 708 of the Corporations Act so that it is lawful to offer the New Shares without disclosure to investors under Chapter 6D of the Corporations Act.

The New Shares applied for by Exempt Investors in Australia must not be offered for sale in Australia in the period of 12 months after the date of allotment under the offering, except in circumstances where disclosure to investors under Chapter 6D of the Corporations Act would not be required pursuant to an exemption under section 708 of the Corporations Act or otherwise or where the offer is pursuant to a disclosure document which complies with Chapter 6D of the Corporations Act. Any person acquiring New Shares (whether or not they are an Exempt Investor) must observe such Australian on-sale restrictions.

Fundraise and Notice of General Meeting

Dear Shareholder,

Introduction

On 8 August 2023, Kore Potash Plc (the "**Company**") announced the completion of a partially conditional fundraising, raising, in aggregate, approximately US\$1 million (the "**Fundraise**"). A total of 124,384,000 New Subscription Shares have been issued to date at the issue price of 0.5p (equivalent to A\$0.0097) (the "**Issue Price**").

The Company is currently in a "closed period" that restricts the Directors and key executives from acquiring the Company's Ordinary Shares prior to the release of the Company's half year report for the period ended 30 June 2023. David Hathorn, Chairman of the Company, has participated in the Fundraise via two convertible loans of US\$0.1 million each, which, if converted, will result in the issue of 31,096,000 Conversion Shares. Mr Hathorn's participation in the Fundraise is to be confirmed once the Company has released its half year results for the period ended 30 June 2023, and is subject to shareholder approval under the ASX Listing Rules as detailed in this Circular.

The Company's two largest shareholders, the Oman Investment Authority ("**OIA**") and Sociedad Quimica y Minera ("**SQM**") have been offered the opportunity to subscribe for New Shares at the Issue Price, in order to preserve their respective shareholdings in the Company. OIA and SQM have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if they intend to subscribe and such participation would be a related party transaction for the purposes of AIM Rule 13 and subject to shareholder approval under the ASX Listing Rules. Any participation by OIA and SQM would be in addition to funds raised via the Fundraise.

Should the conditions not be satisfied such that the Conversion Shares cannot be issued and allotted, the Company will be required to repay the convertible loans to Mr Hathorn.

The purpose of this Circular is to explain the background to, and reasons for, the Fundraise and the other matters to be considered at the General Meeting, to explain why the Board considers the Fundraise and such other matters to be in the best interests of the Company and its Shareholders, and why the Directors recommend that you vote in favour of all Resolutions to be proposed at the General Meeting. It also contains various regulatory disclosures which the Company is required to make in connection with the Fundraise. The Notice of Meeting is attached to this Circular.

Background to the Fundraise

On 8 August 2023, the Company announced that it had entered into a revised agreement with SEPCO Electric Power Construction Corporation to provide the Company with an Engineering, Procurement and Construction contract for the construction of the Kola Potash Project. The Board believe that Kola remains one of the most attractive potash projects in the world, with market low-operating costs.

Use of Proceeds and Cash Position

The Company will use the net proceeds from the Fundraise, to advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project.

The Fundraise

The Company has conditionally raised, US\$1million at a price of 0.5p (equivalent to A\$0.0097) per new Ordinary Share (the “**Issue Price**”). 124,384,000 Subscription Shares were issued on 11 August 2023 and 31,096,000 Conversion Shares have been conditionally placed with existing investors at the Issue Price (together, the “**Fundraise Shares**”).

An application was made for the Subscription Shares to be admitted to trading on AIM at 8.00 a.m. (UK time) on 11 August 2023 and to trading on the JSE at 9.00 a.m. (SA time) on 11 August 2023. An application was made for the Subscription Shares over which CDIs were issued to be quoted on the ASX from 8.00am (Perth time) on 11 August 2023.

The allotment of the remaining balance of the Fundraise, being 31,096,000 New Shares, is conditional, inter alia, upon obtaining approval of the Shareholders at a General Meeting of the Company of the Fundraise Resolutions. It is anticipated that the Conversion Shares will be admitted to trading on AIM at 8.00 a.m. (UK time) on 26 September 2023 and to trading on the JSE at 9.00 a.m. (SA time) on 26 September 2023, and that any Conversion Shares over which CDIs are issued will be quoted on the ASX from 8.00am (Perth time) on 26 September 2023.

Directors and related parties' participation

The Company's two largest shareholders, the OIA and SQM have been offered the opportunity to subscribe for New Ordinary Shares at the Issue Price, in order to preserve their respective shareholdings in the Company. OIA and SQM have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if they intend to subscribe and such participation would be a related party transaction for the purposes of AIM Rule 13 and subject to shareholder approval for the purposes of the ASX Listing Rules as detailed in this Circular. Any participation by OIA and SQM would be in addition to funds raised via the Fundraise.

Subject to the passing of the Fundraise Resolutions and on completion of the issue of the Conversion Shares, the following are expected to be the shareholdings of existing significant shareholders who have participated in the Fundraise:

<i>Shareholder</i>	<i>Number of existing Ordinary Shares</i>	<i>Number of New Ordinary Shares Intended to be Subscribed for in the Proposed Fundraise</i>	<i>Total Number of Ordinary Shares upon completion of the Proposed Fundraise</i>	<i>Percentage of issued share capital as enlarged by the Proposed Fundraise</i>
David Hathorn	144,237,061	31,096,000	175,333,061	4.79%

David Hathorn's participation will be confirmed once the Company has released its half year report for the period ending 30 June 2023 and will therefore be out of the current closed period for trading. It is expected the company will be out of the closed period at the time of the General Meeting and therefore Mr Hathorn's participation is subject to shareholder approval under the ASX Listing Rules as detailed in this Circular.

Total Participation

In aggregate, a total up to 239,460,284 Shares are intended to be issued comprising of 124,384,000 Subscription shares issued on 11 August 2023, 31,096,000 Conversion Shares pursuant to the US\$1m Fundraise and up to 83,980,284 Additional Shares should OIA and SQM elect to participate representing approximately 6.5 percent of the Enlarged Issued Share capital of the Company.

Meeting and recommendation

The General Meeting is to be held at the offices of Memery Crystal, 165 Fleet Street, London EC4A 2DY, on 21 September 2023 at 10 am (UK time) / 11 am (South African time) / 5 pm (Perth time). The Notice of Meeting contains the Resolutions on which Shareholders are asked to vote. It is important you read the entire document before deciding how to vote. The remaining parts of this Circular contain an Explanatory Statement which provides detailed information of the business to be conducted at the Meeting.

Further details and certain regulatory disclosures are set out in the Explanatory Statement forming part of this Notice of Meeting.

The Directors unanimously recommend that Shareholders vote in favour of all Resolutions, as they intend to do so in respect of all Shares which they hold and are entitled to exercise on the resolutions (as applicable). Your vote is important regardless of the number of Shares you own. I encourage you to vote by following the instructions contained herein. If you are in any doubt as to what actions you should take, please consult your professional advisor without delay.

A Form of Proxy for use at the General Meeting by Shareholders is enclosed. You are requested to complete the Form of Proxy in accordance with the instructions therein and return it to the Company's Registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and in any event not later than 10.00 am. (BST) on 19 September 2023. You can also submit your proxy vote online at www.investorcentre.co.uk/eproxy, where you will be asked to enter the Control Number, Shareholder Reference Number (SRN) and PIN shown on the Form of Proxy and agree to certain terms and conditions.

CREST members who wish to appoint a Proxy or Proxies through the CREST electronic Proxy appointment service may do so for the General Meeting to be held on 21 September 2023 (and any adjournment(s) thereof) by following the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members (and those CREST members who have appointed a voting service provider(s)) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a Proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited ("EUI")'s specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a Proxy or an amendment to the instruction given to a previously appointed Proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 10.00 am (BST) on 19 September 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the time-stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a Proxy appointed through CREST should be communicated to him by other means.

CREST members (and, where applicable, their CREST sponsors or voting service provider(s)) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service provider(s)) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

Shareholders are urged to appoint the Chairman of the General Meeting as his or her proxy vote electronically.

Yours sincerely,

David Hathorn

Chairman

ENTITLEMENT TO ATTEND AND VOTE

- 1 Only holders of ordinary shares of US\$0.001 each in the capital of the Company and their proxies are entitled to attend and vote at the Meeting. Holders of CHES Depositary Interests ("CDIs") may also attend but are not entitled to vote personally at the Meeting. CHES Depositary Nominees Pty Limited ("CDN") holds legal title in the Company's shares for and on behalf of CDI holders. As the holders of beneficial interest in the Company's Shares held by CDN, CDI holders should direct CDN on how to vote with respect to the Resolutions described in the Notice of Meeting. CDN must exercise its rights to vote by proxy at the Meeting in accordance with the directions of CDI holders.
- 2 **The Company strongly encourages all Shareholders to submit a proxy vote in advance of the Meeting, appointing the Chairman of the meeting as their proxy rather than a named person.**
- 3 A member is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend and to speak and vote at the Meeting. A proxy need not also be a member but must attend the Meeting in person. A member may appoint more than one proxy in relation to a Meeting, provided that each proxy is appointed to exercise the rights attached to a different Share or Shares held by him or her.
- 4 Forms of proxy are provided and to be valid must be completed and returned in accordance with the instructions shown on the form, together with the power of attorney or other authority, if any, under which it is signed or a certified copy of such power or authority, so as to arrive at the offices of the Company's registrars, Computershare Investor Services plc at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, UK (shareholders on the UK register) or Computershare Investors Services (Pty) Limited at 15 Biermann Avenue, Rosebank, 2196, South Africa (Private Bag X9000, Saxonwold, 2132) or email to proxy@computershare.co.za (shareholders on the JSE register) no later than at 10 am (UK time) on 19 September 2023 or 11 am (South African time) on 19 September 2023. The appointment of a proxy will not prevent a member attending the Meeting and voting in person if he or she wishes to do so. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Computershare Investor Services plc at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, UK (Shareholders on the AIM register) or Computershare Investors Services (Pty) Limited at 15 Biermann Avenue, Rosebank, 2196, South Africa (Private Bag X9000, Saxonwold, 2132) or email to proxy@computershare.co.za (Shareholders on the JSE register).

- 5 To be entitled to attend and vote at the General Meeting (and for the purpose of the determination by the Company of the votes they may cast), Shareholders must be registered in the register of members of the Company at 5.30 pm (UK time) / on 18 September 2023 and 6.30 pm (South African time) on 15 September 2023 (or in the event of any adjournment, at close of business 5.30 pm (UK time) / 6.30 pm (South African time) on the date which is two working days before the time of the adjourned meeting). Changes to entries on the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the General Meeting.
- 6 In the case of joint holders of ordinary Shares the vote of the senior Shareholder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the other joint holder(s) and for this purpose seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
- 7 In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by Computershare (ID 3RA50) not later than 10 a.m. (UK time) on 19 September 2023 (or in the event of an adjournment, not less than 48 hours before the time fixed for the adjourned meeting (excluding any part of a day that is not a working day)). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Computershare is able to retrieve the message by enquiry to CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages and normal system timings and limitations will apply in relation to the input of a CREST Proxy Instruction. It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 8 Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same Shares.

Instructions for CDI holders in the Australian register only

EXPLANATORY STATEMENT

Overview of the Meeting

Set out below is the Explanatory Statement which has been prepared for the information of Shareholders in connection with the business to be conducted at the general meeting of the Company to be held at Memery Crystal, 165 Fleet Street, London EC4A 2DY on 21 September 2023 at 10 am (UK time) / 11 am (South African time) / 5 pm (Perth time) (the "**Meeting**").

This information is important. You should read the information relating to the Meeting carefully and, if necessary, seek your own independent advice.

The Chairman of the Board intends to vote undirected proxies in favour of each Resolution.

Background

As noted above in the Chairman's letter, on 8 August 2023, the Company announced the results of a Fundraise conducted by way of a placing to, and subscription by, certain existing Shareholders for New Shares at an issue price of 0.5p / A\$0.0097 per New Share.

The Company also raised an additional US\$0.2 million through the issued of convertible loan notes pursuant to the participation by Director and Chairman Mr David Hathorn on the same terms. These comprise:

- the intended issue of 31,096,000 New Shares to the Belle Terre and Stapleford Trusts, of which Mr Hathorn is a beneficiary, subject to Shareholder approval pursuant to Resolution 2.

Separately, in addition to the Fundraise the Company has offered:

- up to 37,662,890 Shares to SQM, subject to Shareholder approval pursuant to Resolution 3; and
- up to 46,317,394 Shares to OIA, subject to Shareholder approval pursuant to Resolution 4.

Resolution 1 – Authority to allot Shares in connection with the Fundraise

This Resolution asks Shareholders to grant the Directors authority to allot New Shares which are proposed to be issued by the Company in connection with the Fundraise. The authority, if approved, will expire on the later of 21 September 2024 or if earlier, at the conclusion of the next Annual General Meeting. The authority will allow the Directors generally to allot New Shares, and grant rights to subscribe for, or convert other securities into Shares up to an aggregate nominal value of US\$239,460.284 which is equivalent to approximately 7.0% of the total issued ordinary share capital of the Company. The Directors intend to allot the New Shares pursuant to this authority.

Applicable ASX Listing Rules

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, without prior approval of shareholders and subject to specified exceptions, issue or agree to issue more equity securities (as that term is defined under the ASX Listing Rules) during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 10.11

Unless one of the exceptions in ASX Listing Rule 10.12 applies, the Company must not issue, or agree to issue, securities to:

- a related party of the Company (including a Director of the Company) – ASX Listing Rule 10.11.1;
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) shareholder in the Company – ASX Listing Rule 10.11.2;
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) shareholder in the Company and who has nominated a Director to the Board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so – ASX Listing Rule 10.11.3;
- an associate of a person referred to above – ASX Listing Rule 10.11.4; or
- a person whose relationship with the Company or a person referred to above is such that, in ASX's opinion, the issue or agreement should be approved by its Shareholders – ASX Listing Rule 10.11.5,

unless it obtains prior Shareholder approval.

Resolution 2 – Approval of securities issue to Director under the Fundraising – David Hathorn as beneficiary of the Belle Terre and Stapleford Trusts

David Hathorn, the Chairman of Kore Potash, has participated in the Fundraise, by way of two convertible loans of US\$0.1 million each (combined total US\$0.2 million), via two separate trusts – being the Belle Terre and Stapleford Trusts, further details of which are set out below. Resolution 2 seeks approval of the conversion of the convertible loans from both trusts which are associated with David Hathorn, a related party of the Company, following which (if approved) 15,548,000 New Shares of US\$0.001 each will be issued to each trust, resulting in 31,096,000 New Shares being issued in aggregate and in full settlement of the convertible loans. Each convertible loan has a zero interest coupon, must be converted immediately following the approval of Shareholders and is otherwise repayable by the Company within three months from 24 July 2023, should shareholders not approve the conversion.

The Belle Terre and Stapleford Trusts Issue falls within the scope of ASX Listing Rule 10.11.1 because the beneficiary of the Belle Terre and Stapleford Trusts (which Theseus (Guernsey) Limited is a trustee of) is David Hathorn, a Director of the Company. The Belle Terre and Stapleford Trusts Issue does not fall within any of the exceptions in ASX Listing Rule 10.12. It therefore requires Shareholder approval under ASX Listing Rule 10.11.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the New Shares to the Director, with the net proceeds from that issue (when combined with the net proceeds from the broader Fundraise), to fund further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project.

In addition, the issue of the New Shares to the Director will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1, pursuant to ASX Listing Rule 7.2 exception 14.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the New Shares to the Director and the Placing will not proceed in the proposed form. The Company would then be required to settle the convertible loan through a cash settlement.

In these circumstances the Board would need to consider alternative sources of finance in the near term to continue the Company's operations and to implement its development programme. Such additional financing may not be available to the Company, or may not be available on terms which are acceptable to the Company.

Information required by the ASX Listing Rules

In compliance with the requirements of ASX Listing Rule 10.13, information regarding the proposed issue of the New Shares to the Belle Terre and Stapleford Trusts is provided as follows:

1 Name of the person

The New Shares the subject of Resolution 2 are proposed to be issued to the Belle Terre and Stapleford Trusts. Mr David Hathorn, Chairman of the Company, is a beneficiary of the Belle Terre and Stapleford Trusts.

2 Which ASX Listing Rule 10.11 category the person falls within and why

David Hathorn (a beneficiary of the Belle Terre and Stapleford Trusts, which Theseus (Guernsey) Limited is a trustee of) is a related party of the Company pursuant to ASX Listing Rule 10.11.1 by virtue of being a Director of the Company.

3 The number and class of securities to be issued

The Company proposes to issue a total of 31,096,000 New Shares. The New Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

4 The date by which the securities will be issued

Subject to receiving Shareholder approval, the Company intends to issue the New Shares no later than five days after the date of the General Meeting (or such longer period of time as ASX may in its discretion allow but in any event no later than one month after the Meeting). The Company intends to issue all of the New Shares pursuant to this resolution on the same date.

5 The issue price of the securities

The issue price is 0.5p / A\$0.0097 per New Share.

6 Purpose and intended use of the funds raised

The Company will use the net proceeds from the Fundraise (of which the Belle Terre and Stapleford Trusts Issue forms a part), to fund the further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project.

7 Details of current total remuneration package

The issue of New Shares to the Belle Terre and Stapleford Trusts is not intended to remunerate or incentivise David Hathorn in his capacity as a Director. The Belle Terre and Stapleford Trusts subscribed for the New Shares on the same terms as other investors as part of the Fundraise, other than in relation to the issue of the New Shares to them being subject to Shareholder approval.

8 A summary of other material terms of the agreement

Each convertible loan with the Belle Terre and Sttappleford Trusts has a zero interest coupon, must be converted immediately following the approval of Shareholders and is otherwise repayable by the Company within three months from 24 July 2023, should shareholders not approve the conversion. The agreements has no other material terms to note.

The Company did not enter into any other agreement for the Fundraise with all material terms referred to in the Explanatory Statement for Resolution 2 above.

9 Voting exclusion statement

A voting exclusion statement for Resolution 2 is included in the Notice of Meeting preceding this Explanatory Statement.

Further information

If Resolution 2 is not approved by Shareholders, the Company will be required to repay the convertible loans from the Belle Terre and Stapleford Trusts and so the overall proceeds from the Fundraise will be reduced.

Board recommendation

The Board (other than David Hathorn given his interest in Resolution 2) believes that the intended Belle Terre and Stapleford Trusts Issue is beneficial for the Company and unanimously recommends Shareholders vote in favour of Resolution 2. It will allow the Company to issue the New Shares the subject of Resolution 2 without counting toward the Company's 15% placement capacity provided for by ASX Listing Rule 7.1.

Resolution 3 – Approval of securities issue to SQM

The Company has offered SQM, a substantial shareholder of the Company, the opportunity to subscribe for up to 37,662,890 New Shares at the Issue Price ("**SQM Issue**"), in order to preserve SQM's shareholding in the Company following the issue of the New Shares pursuant to the Fundraise. SQM will have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if it intends to subscribe for these Shares. Any participation by SQM would be in addition to funds raised via the Fundraise.

As noted, ASX Listing Rule 10.11 (a summary of which is set out in the Explanatory Statement for Resolution 1 above) restricts the Company's ability to issue or agree to issue securities to certain categories of persons.

The intended SQM Issue falls within the scope of ASX Listing Rule 10.11.3 because SQM is a substantial (10%+) Shareholder who has nominated a Director to the Board. The intended SQM Issue falls under

exception 11 of ASX Listing Rule 10.12 however requires Shareholder approval under ASX Listing Rule 10.11.

Accordingly, Resolution 3 seeks the required Shareholder approval for the intended SQM Issue under and for the purposes of ASX Listing Rule 10.11.

Pursuant to ASX Listing Rule 7.2, exception 14, the effect of passing Resolution 3 will be to allow the Company to make the intended SQM Issue without using up the Company's 15% placement capacity under ASX Listing Rule 7.1 (an explanation of which is included in this Explanatory Statement in relation to Resolution 2).

If Shareholders do not approve Resolution 3, the Company will not issue any Shares to SQM (and therefore not raise any funds from the SQM Issue).

Information required by the ASX Listing Rules

In compliance with the requirements of ASX Listing Rule 10.13, information regarding the intended issue of the Shares to SQM is provided as follows:

1 Name of the person

The Shares the subject of Resolution 3 are proposed to be issued to Sociedad Quimica y Minera de Chile S.A ("**SQM**").

2 Which ASX Listing Rule 10.11 category the person falls within and why

SQM falls within the scope of ASX Listing Rule 10.11.3 because it currently holds a 15.73% interest in the Company and has nominated a Director to the Board (being Mr Wouter Pulinx).

3 The number and class of securities to be issued

The Company proposes to issue up to 37,662,890 New Shares to SQM. The Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

4 The date by which the securities will be issued

Subject to receiving Shareholder approval, the Company will issue the Shares no later than one month after the date of the General Meeting (or such longer period of time as ASX may in its discretion allow). The Company intends to issue all of the Shares pursuant to this Resolution on the same date.

5 The issue price of the securities

The issue price is 0.5p / A\$0.0097 per Share.

6 Purpose and intended use of the funds raised

The Company will use the net proceeds from the SQM Issue, together with the Company's existing cash reserves, to fund further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project.

SQM will have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if it intends to subscribe for these Shares. SQM's participation (if fully subscribed) would be to maintain their existing shareholding in the Company prior to the Fundraise, and in any event the Company will not issue New Shares that would result in an increase to their shareholding above 19.99%.

7 A summary of other material terms of the agreement

The Company did not enter into any other agreement for the Fundraise with all material terms referred to in the Explanatory Statement for Resolution 2 above.

8 Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Meeting preceding this Explanatory Statement.

Board recommendation

The Board (other than Mr Wouter Pulinx given he is the nominee Director of SQM) believes that the SQM Issue would be beneficial for the Company and unanimously recommends Shareholders vote in favour of Resolution 3. It will allow the Company to issue the Shares the subject of Resolution 3 without counting toward the Company's 15% placement capacity provided for by ASX Listing Rule 7.1.

Resolution 4 – Approval of securities issue to OIA

The Company has offered OIA, as a substantial shareholder of the Company, the opportunity to subscribe for up to 46,317,394 New Shares at the Issue Price ("**OIA Issue**"), in order to preserve OIA's shareholding in the Company following the issue of the New Shares pursuant to the Fundraise. OIA will have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if it intends to subscribe for these Shares. Any participation by OIA would be in addition to funds raised via the Fundraise.

As noted, ASX Listing Rule 10.11 (a summary of which is set out in the Explanatory Statement for Resolution 1 above) restricts the Company's ability to issue or agree to issue securities to certain categories of persons.

The intended OIA Issue falls within the scope of ASX Listing Rule 10.11.3 because OIA is a substantial (10%+) Shareholder who has nominated a Director to the Board. The intended OIA Issue falls under exception 11 of ASX Listing Rule 10.12 however requires Shareholder approval under ASX Listing Rule 10.11.

Accordingly, Resolution 4 seeks the required Shareholder approval for the intended OIA Issue under and for the purposes of ASX Listing Rule 10.11.

Pursuant to ASX Listing Rule 7.2, exception 14, the effect of passing Resolution 4 will be to allow the Company to make the intended OIA Issue without using up the Company's 15% placement capacity under ASX Listing Rule 7.1 (an explanation of which is included in this Explanatory Statement in relation to Resolution 2).

If Shareholders do not approve Resolution 4, the Company will not issue any Shares to OIA (and therefore not raise any funds from the OIA Issue).

Information required by the ASX Listing Rules

In compliance with the requirements of ASX Listing Rule 10.13, information regarding the proposed issue of the New Shares to OIA is provided as follows:

1 Name of the person

The Shares the subject of Resolution 4 are proposed to be issued to Princess Aurora Company Pte Limited, a subsidiary of Oman Investment Authorities ("OIA").

2 Which ASX Listing Rule 10.11 category the person falls within and why

OIA falls within the scope of ASX Listing Rule 10.11.3 because it currently holds a 19.34% interest in the Company and are entitled to a nominated Director on the Board.

3 The number and class of securities to be issued

The Company proposes to issue up to 46,317,394 New Shares to OIA. The Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

4 The date by which the securities will be issued

Subject to receiving Shareholder approval, the Company will issue the Shares no later than one month after the date of the General Meeting (or such longer period of time as ASX may in its discretion allow). The Company intends to issue all of the Shares pursuant to this Resolution on the same date.

5 The issue price of the securities

The issue price is 0.5p / A\$0.0097 per Share.

6 Purpose and intended use of the funds raised

The Company will use the net proceeds from the OIA Issue, together with the Company's existing cash reserves, to fund further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project.

OIA will have up to 21 business days from the date of the offer (8 August 2023) to inform the Company if it intends to subscribe for these Shares. OIA's participation (if fully subscribed) would be to maintain their existing shareholding in the Company prior to the Fundraise, and in any event the Company will not issue New Shares that would result in an increase to their shareholding above 19.99%.

7 A summary of other material terms of the agreement

The Company did not enter into any other agreement for the Fundraise with all material terms referred to in the Explanatory Statement for Resolution 2 above.

8 Voting exclusion statement

A voting exclusion statement for Resolution 4 is included in the Notice of Meeting preceding this Explanatory Statement.

Board recommendation

The Board believes that the proposed OIA Issue is beneficial for the Company and unanimously recommends Shareholders vote in favour of Resolution 4. It will allow the Company to issue the Shares the subject of Resolution 4 without counting toward the Company's 15% placement capacity provided for by ASX Listing Rule 7.1.

Resolution 5 – Ratification of issue of Subscription Shares

Background

As noted above in the Chairman's letter, on 8 August 2023, the Company announced a fundraising conducted by way of a placing to, and subscription by, certain new and existing Shareholders for New Shares at an issue price of 0.5p / A\$0.0097 per New Share.

On 11 August 2023 124,384,000 Subscription Shares were issued utilising the Company's then existing ASX Listing Rule 7.1 placement capacity.

Resolution 5 seeks Shareholder approval for the ratification of the issue of Shares for the purposes of ASX Listing Rule 7.4.

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, without prior approval of shareholders and subject to specified exceptions, issue or agree to issue more equity securities (as that term is defined under the ASX Listing Rules) during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The issue of the Subscription Shares did not fit within any of these exceptions and so was issued within the Company's 15% placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made, provided the Company complied with ASX Listing Rule 7.1 at the time of issuing the relevant equity securities. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. To this end, Resolution 5 seeks Shareholder approval for the issue of the Subscription Shares under and for the purposes of ASX Listing Rule 7.4 and for all other purposes.

If Resolution 5 is approved, the Subscription Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following their issue.

If Resolution 5 is not approved by the requisite majority, the Subscription Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following their issue.

The Company confirms that it was not in breach of ASX Listing Rule 7.1 at the time of issue.

Resolution 6 – General approval to allot Shares

This Resolution asks Shareholders to renew the Directors' authority to allot new Shares which was granted at last year's AGM. The authority, if approved, will expire on the later of 21 September 2024 and the conclusion of the next annual general meeting. The authority will allow the Directors generally to allot new Shares and grant rights to subscribe for, or convert other securities into Shares, up to a nominal value of US\$1,182,107.04. The Directors consider it desirable to maintain the flexibility which this authority provides.

Resolution 7 – Disapplication of pre-emption rights in connection with the Fundraise

The Directors intend to rely on this authority for the disapplication of the statutory pre-emption provisions that would otherwise restrict the directors from allotting the New Shares pursuant to the authority granted under Resolution 1.

Resolution 8– Disapplication of pre-emption rights for general authority
