An application will be made to the London Stock Exchange for the New Shares to be admitted to trading on AIM, and an application will be made to the JSE for the New Shares to be admitted to trading on the JSE. AIM is a market designed primarily for emerging or smaller companies to which a higher investment risk tends to be attached than to larger or more established companies. AIM securities are not admitted to the Official List of the Financial Conduct Authority ("FCA") and the AIM Rules are less demanding than those of the Official List. A prospective investor should be aware of the potential risks in investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser. Neither the London Stock Exchange nor the JSE have examined or approved the contents of this document.

This document contains no offer of transferrable securities to the public within the meaning of section 102B of the Financial Services and Markets Act 2000, as amended ("FSMA") or otherwise. Accordingly, this document does not constitute an offer to sell or an invitation to subscribe for or solicitation of an offer to subscribe or buy Shares in any jurisdiction. This document does not constitute a prospectus for the purposes of the Prospectus Regulation Rules nor does it constitute an admission document prepared in accordance with the AIM Rules.

This document contains no "offer to the public" and does not constitute a "registered prospectus" as such expressions are defined in Chapter 4 of the South African Companies Act. This document does not constitute a pre-listing statement prepared in accordance with the JSE Listings Requirements.

This Circular does not constitute an offer, or the solicitation of an offer, to buy or to subscribe for any securities, nor shall there be any sale or subscription of, the New Shares, or any securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

SP Angel Corporate Finance LLP (“**SP Angel**”), which is authorized and regulated in the United Kingdom by the Financial Conduct Authority, is acting as nominated adviser and broker to the Company and for no one else in connection with the matters described in this Circular and accordingly will not be responsible to any person other than the Company for providing the protections afforded to customers of SP Angel, or for providing advice in relation to such matters and apart from the responsibilities and liabilities (if any) imposed on SP Angel by FSMA, any liability therefore is expressly disclaimed.

SP Angel’s responsibilities as the Company’s nominated adviser under the AIM Rules for Nominated Advisers are owed solely to the London Stock Exchange and are not owed to the Company, any Director or to any other person. No representation, express or implied, is made by SP Angel as to, and no liability whatsoever is accepted by SP Angel in respect of, any of the contents of this document (without limiting the statutory rights of any person to whom this document is issued).

Shore Capital Stockbrokers Limited (“**Shore Capital**”), which is authorized and regulated in the United Kingdom by the Financial Conduct Authority, is acting as broker to the Company and for no one else in connection with the matters described in this Circular and accordingly will not be responsible to any person other than the Company for providing the protections afforded to customers of Shore Capital, or for providing advice in relation to such matters and apart from the responsibilities and liabilities (if any) imposed on Shore Capital by FSMA, any liability therefore is expressly disclaimed.

This document should be read as a whole.

Notice to overseas persons

The distribution of this document and/or the Form of Proxy in certain jurisdictions may be restricted by law and therefore persons into whose possession these documents come should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

The New Shares have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, (the “**US Securities Act**”) and may not be offered, sold or delivered in, into or from the United States, or to, or for the account or benefit of U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and applicable US state securities laws. This document does not constitute an offer of Shares to any person with a registered address, or who is resident in, the United States, or who is otherwise a “U.S. person” as defined in Regulation S under the US Securities Act. There will be no public offer of New Shares in the United States. Outside of the United States, the New Shares are being offered in reliance on Regulation S promulgated under the US Securities Act. The New Shares have not been approved or disapproved by the US Securities and Exchange Commission, or any other securities commission or regulatory authority of the United States, nor have any of the foregoing authorities passed upon or endorsed the merits of the offering of the New Shares nor have they approved this document or confirmed the accuracy or adequacy of the information contained in this document. Any representation to the contrary is a criminal offence in the US.

Accordingly, subject to certain exemptions, the New Shares may not be offered, sold, taken up, delivered or transferred in, into or from the United States, Canada, Japan or any other jurisdiction where to do so would constitute a breach of local securities laws or regulations (each a “**Restricted Jurisdiction**”) or to or for the account or benefit of any national, resident or citizen of a Restricted Jurisdiction. Additionally, the New Shares in South Africa will only be offered to persons who fall within the exemptions set out in section 96(1)(a) and/or (b) of the South African Companies Act, and to whom the offer will specifically be addressed, and by whom only the offer will be capable of acceptance.

No placement document, prospectus, product disclosure statement or other disclosure document has been lodged with the Australian Securities and Investments Commission (“**ASIC**”) in relation to the New Shares. This document does not constitute a prospectus, product disclosure statement or other disclosure document under the Corporations Act 2001 (the “**Corporations Act**”) and does not purport to include the information required for a prospectus, product disclosure statement or other disclosure document under the Corporations Act. To the extent this document is distributed in Australia, it is distributed for information purposes only.

This document does not constitute an offer to sell or an invitation to subscribe for, or solicitation of an offer to subscribe for or buy, New Shares to any person in Australia. Any offer in Australia of the New Shares may only be made to persons (the “**Exempt Investors**”) who are “sophisticated investors” (within the meaning of section 708(8) of the Corporations Act), “professional investors” (within the meaning of section 708(11) of the Corporations Act) or otherwise pursuant to one or more exemptions contained in section 708 of the Corporations Act so that it is lawful to offer the New Shares without disclosure to investors under Chapter 6D of the Corporations Act.

The New Shares applied for by Exempt Investors in Australia must not be offered for sale in Australia in the period of 12 months after the date of allotment under the offering, except in circumstances where disclosure to investors under Chapter 6D of the Corporations Act would not be required pursuant to an exemption under section 708 of the Corporations Act or otherwise or where the offer is pursuant to a disclosure document which complies with Chapter 6D of the Corporations Act. Any person acquiring New Shares (whether or not they are an Exempt Investor) must observe such Australian on-sale restrictions.

Forward-looking statements

This document contains (or may contain) certain forward-looking statements with respect to certain of the Company’s plans and its current goals and expectations relating to its future financial condition and performance and which involve a number of risks and uncertainties. The Company cautions readers that no forward-looking statement is a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking statements. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use **words such as “aim”, “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “goal”, “believe”, “predict” or other words of similar meaning**. Examples of forward-looking statements include, amongst others, statements regarding or which make assumptions in respect of the planned use of the proceeds for the **Fundraise, the Group’s liquidity position, the Group’s future performance** and financial position, plans and objectives for future operations and any other statements that are not historical fact.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances, including, but not limited to, economic and business conditions, the effects of continued volatility in credit markets, market-related risks such as changes in interest rates and foreign exchange rates, the policies and actions of governmental and regulatory authorities, changes in legislation, the further development of standards and interpretations under IFRS applicable to past, current and future periods, evolving practices with regard to the interpretation and application of standards under IFRS, the outcome of pending and future litigation or regulatory investigations, the success of future acquisitions and other strategic transactions and the impact of competition. A number of these factors are beyond the Company’s control. As a result, the Company’s actual future results may differ materially from the plans, goals, and expectations set forth in the Company’s forward-looking statements.

Any forward-looking statements made in this document by or on behalf of the Company speak only as of the date they are made and are not intended to give any assurance as to future results. Fundraise and Notice of General Meeting

Dear Shareholder,

Introduction

On 22 March 2024, Kore Potash Plc (the “**Company**”) announced the completion of a partially conditional fundraising raising, in aggregate, gross proceeds of US\$680,000 (the “**Fundraise**”). A total of 109,865,053 Subscription Shares have been issued to date a part of the Fundraise at an issue price of 0.38p per New Share (equivalent to A\$0.0074) (the “**Issue Price**”).

At the time of the fundraise announcement, the Company was in a "closed period" that restricts the Directors and key executives from acquiring the Company’s Ordinary Shares prior to the release of the Company’s Annual Report for the year ended 31 December 2023 (“**2023 Annual Report**”).

Following the release of the 2023 Annual Report on 28 March 2024, the Company announced that David Hathorn, Chairman of the Company, has participated in the Fundraise for a consideration of US\$150,000 via two separate trusts, the Belle Terre Trust and Stapleford Trust. Mr Hathorn’s participation in the Fundraise is subject to shareholder approval under the ASX Listing Rules as detailed in this Circular.

The purpose of this Circular is to explain the background to, and reasons for, the Fundraise and the other matters to be considered at the General Meeting, to explain why the Board considers the Fundraise and such other matters to be in the best interests of the Company and its Shareholders, and why the Directors recommend that you vote in favour of all Resolutions to be proposed at the General Meeting, as they intend to do so in respect of all Shares which they hold and are entitled to exercise on the resolutions (as applicable). It also contains various regulatory disclosures which the Company is required to make in connection with the Fundraise. The Notice of Meeting is attached to this Circular.

Background to the Fundraise

On 8 August 2023, the Company announced that it had entered into a revised agreement with SEPCO Electric Power Construction Corporation to provide the Company with an Engineering, Procurement and Construction contract for the construction of the Kola Potash Project. The Board believes that the Kola Potash Project remains one of the most attractive potash projects in the world, with market low-operating costs.

Use of Proceeds and Cash Position

The Company will use the net proceeds from the Fundraise to further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project and to provide working capital for the Company.

The Fundraise

The Company has raised US\$680,000 at a price of 0.38p (equivalent to A\$0.0074) per new Ordinary Share (the “**Issue Price**”). As part of the Fundraise, US\$530,000 of 109,865,053 Subscription Shares were issued on 4 April 2024, while US\$150,000 of 31,093,883 New Shares are to be issued at the Issue Price require the approval of shareholders, (together, the “**Fundraise Shares**”).

The Subscription Shares were admitted to trading on AIM at 8.00 a.m. (UK time) on 4 April 2024 and to trading on the JSE at 9.00 a.m. (SA time) on 4 April 2024. An application was made for the Subscription Shares over which CDIs were issued to be quoted on the ASX from 8.00am (Perth time) on 4 April 2024.

The allotment of the remaining balance of the Fundraise, being 31,093,883 New Shares, is conditional, inter alia, upon obtaining approval of the Shareholders at a General Meeting of the Company of the Fundraise Resolutions. It is anticipated that, subject to the approval of the Fundraise Resolutions at the General Meeting, the New Shares will be admitted to trading on AIM at 8.00 a.m. (UK time) on 16 May 2024 and to trading on the JSE at 9.00 a.m. (SA time) on 16 May 2024, and that any New Shares over which CDIs are issued will be quoted on the ASX from 8.00am (Perth time) on 16 May 2024.

Directors and related parties' participation

Subject to the passing of the Fundraise Resolutions and on completion of the issue of the New Shares, the following is expected to be the shareholding of an existing significant shareholder who participated in the Fundraise:

<i>Shareholder</i>	<i>Number of existing Ordinary Shares</i>	<i>Number of New Shares Intended to be Subscribed for in the Fundraise</i>	<i>Total Number of Shares upon completion of the Fundraise</i>	<i>Percentage of issued share capital as enlarged by the Fundraise*</i>
David Hathorn	337,708,061	31,093,883	368,801,944	8.66%

* Assuming no further Shares are issued between the date of this Circular and completion of the issue of the New Shares.

Meeting and recommendation

The General Meeting is to be held at 107 Cheapside, Second Floor, London EC2V 6DN, on 13 May 2024 at 10 am (UK time) / 11 am (South African time) / 5 pm (Perth time). The Notice of Meeting contains the Resolutions on which Shareholders are asked to vote. It is important you read the entire document before deciding how to vote. The remaining parts of this Circular contain an Explanatory Statement which provides detailed information of the business to be conducted at the Meeting.

Further details and certain regulatory disclosures are set out in the Explanatory Statement forming part of this Notice of Meeting.

The Directors unanimously recommend that Shareholders vote in favour of all Resolutions, as they intend to do so in respect of all Shares which they hold and are entitled to exercise on the resolutions (as applicable). Your vote is important regardless of the number of Shares you own. The Directors encourage you to vote by following the instructions contained herein. If you are in any doubt as to what actions you should take, please consult your professional advisor without delay.

A Form of Proxy for use at the General Meeting by Shareholders is enclosed. You are requested to complete the Form of Proxy in accordance with the instructions therein and return it to the Company's Registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and in any event not later than 10.00 am. (BST) on 9 May 2024. You can also submit your proxy vote online at www.investorcentre.co.uk/eproxy, where you will be asked to enter the Control Number, Shareholder Reference Number (SRN) and PIN shown on the Form of Proxy and agree to certain terms and conditions.

CREST members who wish to appoint a proxy or proxies through the CREST electronic Proxy appointment service may do so for the General Meeting to be held on 13 May 2024 (and any adjournment(s) thereof) by following the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members (and those CREST members who have appointed a voting service provider(s)) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a Proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited ("EUI")'s specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a Proxy or an amendment to the instruction given to a previously appointed Proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 10.00 am (BST) on 9 May 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the time- stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to him by other means.

CREST members (and, where applicable, their CREST sponsors or voting service provider(s)) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service provider(s)) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

Shareholders are urged to appoint the Chairman of the General Meeting as his or her proxy .

Yours sincerely,

David Hathorn

Should the General Meeting be adjourned then the deadline for revised voting instructions will be 3 business days before, and the record date for determining registered holders of CDIs will be 96 hours before the time that the adjourned General Meeting recommences.

- b. converting their CDIs into a holding of Shares and voting these at the General Meeting (however, if thereafter the former CDI holder wishes to sell their investment on the ASX it would be necessary to convert Shares back to CDIs). EXPLANATORY STATEMENT

Overview of the Meeting

Set out below is the Explanatory Statement which has been prepared for the information of Shareholders in connection with the business to be conducted at the general meeting of the Company to be held at 107 Cheapside, Second Floor, London EC2V 6DN on 13 May 2024 at 10 am (UK time) / 11 am (South African time) / 5 pm (Perth time) (the "**Meeting**").

This information is important. You should read the information relating to the Meeting carefully and, if necessary, seek your own independent advice.

The Chairman of the Board intends to vote undirected proxies in favour of each Resolution.

Background

As noted above in the Chairman's letter, on 22 March 2024, the Company announced the results of a Fundraise conducted by way of subscription by, certain existing Shareholders for New Shares at an issue price of 0.38p / A\$0.0074 per New Share.

Resolution 1 – Authority to allot Shares in connection with the Fundraise

This Resolution asks Shareholders to grant the Directors authority to allot New Shares which are proposed to be issued by the Company in connection with the Fundraise. The authority, if approved, will expire on the later of 13 May 2025 or if earlier, at the conclusion of the next Annual General Meeting. The authority will allow the Directors generally to allot New Shares, and grant rights to subscribe for, or convert other securities into Shares up to an aggregate nominal value of US\$31,094 which is equivalent to approximately 0.74% of the total issued ordinary share capital of the Company. The Directors intend to allot the New Shares pursuant to this authority.

Resolution 2 – Approval of securities issue to Director under the Fundraise – David Hathorn as beneficiary of the Belle Terre and Stapleford Trusts

David Hathorn, the Chairman of Kore Potash, has participated in the Fundraise, via two separate trusts – being the Belle Terre and Stapleford Trusts, further details of which are set out below. Resolution 2 seeks approval of issue of New Shares to David Hathorn, a related party of the Company, following which (if approved) 15,546,942 and 15,546,941 New Shares of US\$0.001 each will be issued to the Belle Terre trust and the Stapleford trust respectively, resulting in 31,093,883 New Shares being issued.

The Belle Terre and Stapleford Trusts Issue falls within the scope of ASX Listing Rule 10.11.1 because the beneficiary of the Belle Terre and Stapleford Trusts (which Theseus (Guernsey) Limited is a trustee of) is David Hathorn, a Director of the Company. The Belle Terre and Stapleford Trusts Issue does not fall within any of the exceptions in ASX Listing Rule 10.12. It therefore requires Shareholder approval under ASX Listing Rule 10.11.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the New Shares to the Director, with the net proceeds from that issue (when combined with the net proceeds from the broader Fundraise), to fund further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project and its working capital requirements.

Related party transaction – AIM Rules

David Hathorn is a director of the Company and the proposed issue of 31,093,883 New Shares to the trusts which are associated with him are deemed to be a related party transaction for the purposes of AIM Rule 13 and ASX Listing Rule 10.11.1. The directors of the Company, other than David Hathorn, having consulted with the Company's nominated adviser, SP Angel Corporate Finance LLP, consider that the terms of his participation in the Fundraise are fair and reasonable insofar as shareholders of the Company are concerned.

In addition, the issue of the New Shares to the Director will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1, pursuant to ASX Listing Rule 7.2 exception 14.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the New Shares to the Director.

In these circumstances the Board would need to consider alternative sources of finance in the near term to continue the Company's operations and to implement its development programme. Such additional financing may not be available to the Company or may not be available on terms which are acceptable to the Company.

Information required by the ASX Listing Rules

In compliance with the requirements of ASX Listing Rule 10.13, information regarding the proposed issue of the New Shares to the Belle Terre and Stapleford Trusts is provided as follows:

1 Name of the person

The New Shares the subject of Resolution 2 are proposed to be issued to the Belle Terre and Stapleford Trusts. Mr. David Hathorn, Chairman of the Company, is a beneficiary of the Belle Terre and Stapleford Trusts.

2 Which ASX Listing Rule 10.11 category the person falls within and why

David Hathorn (a beneficiary of the Belle Terre and Stapleford Trusts, which Theseus (Guernsey) Limited is a trustee of) is a related party of the Company pursuant to ASX Listing Rule 10.11.1 by virtue of being a Director of the Company.

3 The number and class of securities to be issued

The Company proposes to issue a total of 31,093,883 New Shares. The New Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

4 The date by which the securities will be issued

Subject to receiving Shareholder approval, the Company intends to issue the New Shares no later than five days after the date of the General Meeting (or such longer period of time as ASX may in its discretion allow but, in any event, no later than one month after the Meeting). The Company intends to issue all of the New Shares pursuant to this resolution on the same date.

5 The issue price of the securities

The issue price is 0.38p / A\$0.0074 per New Share.

6 Purpose and intended use of the funds raised

The Company will use the net proceeds from the Fundraise (of which the Belle Terre and Stapleford Trusts Issue forms a part) to fund the further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project and its working capital requirements.

7 Is the issue intended to remunerate or incentivize Mr Hathorn

The issue of New Shares to the Belle Terre and Stapleford Trusts is not intended to remunerate or incentivize David Hathorn in his capacity as a Director. The Belle Terre and Stapleford Trusts subscribed for the New Shares on the same terms as other investors as part of the Fundraise, other than in relation to the issue of the New Shares to them being subject to Shareholder approval.

8 A summary of other material terms of the agreement

The Company did not enter into any other agreement for the Fundraise with all material terms referred to in the Explanatory Statement above.

9 Voting exclusion statement

A voting exclusion statement for Resolution 2 is included in the Notice of Meeting preceding this Explanatory Statement.

Board recommendation

The Board (other than David Hathorn who has recused himself given his interest in Resolution 2) believes that the intended Belle Terre and Stapleford Trusts Issue is beneficial for the Company and unanimously recommends Shareholders vote in favour of Resolution 2. It will allow the Company to issue the New Shares the subject of Resolution 2 without counting toward the Company's 15% placement capacity provided for by ASX Listing Rule 7.1.

Resolution 3 – Ratification of issue of Unconditional Subscription Shares

Background

As noted above in the Chairman's letter, on 22 March 2024, the Company announced a fundraising conducted by way of a subscription by certain existing Shareholders for New Shares at an issue price of 0.38p / A\$0.0074 per New Share.

On 4 April 2024, 109,865,053 Subscription Shares were issued and admitted to trading utilizing the Company's then existing ASX Listing Rule 7.1 placement capacity.

Resolution 3 seeks Shareholder approval for the ratification of the issue of Unconditional Subscription Shares for the purposes of ASX Listing Rule 7.4.

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, without prior approval of shareholders and subject to specified exceptions, issue or agree to issue more equity securities (as that term is defined under the ASX Listing Rules) during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The issue of the Unconditional Subscription Shares did not fit within any of these exceptions and so was issued within the Company's 15% placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made, provided the Company complied with ASX

Listing Rule 7.1 at the time of issuing the relevant equity securities. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. To this end, Resolution 4 seeks Shareholder approval for the issue of the Unconditional Subscription Shares under and for the purposes of ASX Listing Rule 7.4 and for all other purposes.

If Resolution 3 is approved, the Unconditional Subscription Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following their issue.

If Resolution 3 is not approved by the requisite majority, the Unconditional Subscription Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following their issue.

The Company confirms that it was not in breach of ASX Listing Rule 7.1 at the time of issue.

Information required by the ASX Listing Rules

In compliance with the information requirements of ASX Listing Rule 7.5, Shareholders are advised of the following information in relation to the Unconditional Subscription Shares the subject of Resolution 3:

- 1 The names of the persons to whom the Company issued or agreed to issue the securities or the basis on which those persons were identified or selected

The New Shares the subject of Resolution 3 were issued to certain existing, non-related Shareholders (and specifically excluding the Belle Terre and Stapleford Trusts - the subject of Resolution 2).

- 2 Number and class of securities the entity issued or agreed to issue

109,865,053 Subscription Shares have been issued. The Subscription Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

- 3 Date of issue

The Shares were issued on 4 April 2024.

4 Issue price

The issue price was 0.38p / A\$0.0074 per Subscription Share (depending on the currency the New Shares were subscribed for).

5 Purpose and intended use of the funds raised

The Company will use the net proceeds from the Fundraise, together with the Company's existing cash reserves, to fund further advance work that is expected to lead to the delivery of an Engineering, Procurement and Construction contract for the Kola Potash Project and its working capital requirements.

6 A summary of other material terms of the agreement

The Company did not enter into any other agreement for the Fundraise with all material terms referred to in the Explanatory Statement above.

7 Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Meeting preceding this Explanatory Statement.

Board recommendation

The Board unanimously recommends Shareholders vote in favour of Resolution 3.

Resolution 4 – General approval to allot Shares

This Resolution asks Shareholders to renew the Directors' authority to allot new Shares which was granted at last year's AGM. The authority, if approved, will expire on the later of 13 May 2025 and the conclusion of the next annual general meeting. The authority will allow the Directors generally to allot new Shares and grant rights to subscribe for, or convert other securities into Shares, up to a nominal value of US\$1,409,844.058. The Directors consider it desirable to maintain the flexibility which this authority provides.

Resolution 5 – Disapplication of pre-emption rights in connection with the Fundraise

This Resolution, which is proposed as a special resolution, will, if passed, disapply the statutory pre-emption provisions that otherwise restrict directors from allotting new shares for cash under the authority granted under Resolution 1 in certain circumstances without first offering them to existing Shareholders. The Directors intend to rely on this authority for the disapplication of the statutory pre-emption provisions that would otherwise restrict the directors from allotting the New Shares pursuant to the authority granted under Resolution 1.

Resolution 6 – Disapplication of pre-emption rights for general authority

This Resolution, which is proposed as a special resolution, will, if passed, disapply the statutory pre-emption provisions that otherwise restrict directors from allotting new shares for cash under the authority granted under Resolution 4 in certain circumstances without first offering them to existing Shareholders.
